

North Toronto Chinese Alliance Church (NTCAC) Medical Release & Medication Administration Form

The information on this form will be used at the discretion of the NTCAC VBS Day Camp to enable appropriate healthcare and attention to be given to the campers. Please provide us with the provincial health card number to enable access to medical treatment by practitioners in the event of an emergency. We protect and respect the privacy of all our campers. Personal information is used only for the purposes stated.

MEDICAL RELEASE				
Name of Child	Date of Birth (YYYY/MM/DD)	Health Card #	Height	Weight
Address				
Does your child have any medical conditions and/or allergies? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please give details & attach photo of child.				
Parent/Legal Guardian	Home Phone #	Work Phone #	Cell Phone #	
Name of Family Physician		Family Physician Phone#		
REQUEST FOR ADMINISTRATION OF MEDICATION - Parent/Guardian Authorization				
It is the responsibility of parents/guardians to administer medication to their children. Treatment regimes should, where possible, be adjusted to avoid administration of medication during VBS Day Camp hours. When this is not possible, parents may request assistance of the camp personnel through the VBS Day Camp coordinators. Please notice that NO self-administration of medication is allowed during the camp.				
Name of Medication		Storage Cautions, if any		
Dosage and Time to be given during Camp Hours		Duration of Medication Regime		
Cautions or Notable Side Effects				
<p>I / We are the parents/guardians of _____ (name of camper). I / We hereby request that the North Toronto Chinese Alliance Church – VBS Day Camp Coordinators, administer the above medication, using the Procedure as outlined above, to my / our child.</p> <p>The VBS Day Camp coordinators agree to use reasonable care and diligence in the administration of medication to campers. Parents/Guardians and campers acknowledge that the North Toronto Chinese Alliance Church – VBS Day Camp coordinators are not medically trained to administer medication.</p> <p>At all times it remains the responsibility of the parent to ensure that clear instructions from a medical practitioner relating to the use of the medication are provided. Parents and their children are fully responsible in ensuring that the medication is taken as required.</p> <p>I / We hereby acknowledge that I / we have read and fully understand the terms set out herein.</p>
